E. Are there any location requirements? If so,
justify required location.

Existing location - 6000 Executive Boulevard,
Rockville, Maryland.

II. Programmatic Justification for Space Request:

This is a continuing need request. Initially, NIAAA was
scheduled to relocate to Natcher, phase 2 in 1997. However,
since Natcher phase 2 will not be constructed, the NIAAA
must remain in this space. The OD Programs were relocated
from 6006 Executive Blvd. due to the inadequacy of the
building and therefore must remain in that space.

III. Explain why current ICD space cannot be used to accommodate
proposed program:

These ICD are not requesting space for proposed programs.
This is a continuing need.

IV. Staffing

Currently NIAAA has 193 staff and the OD Programs have
approximately 25 staff.
